Covenant Academy

Exists to inspire and equip
authentic leaders for Christ

Dear Parent,

Thank you for your interest in Covenant Academy! We value the opportunity to share our mission with you as you seek God's direction in the education of your child.

Covenant is founded on the belief that God is the source of all truth as revealed in the person of Jesus Christ. All aspects of learning (spiritual, academic, physical, and social) are taught from a biblically based belief that the Word of God reveals truth. Establishing such a foundation sets the stage for students to successfully engage the Covenant curriculum.

Covenant Academy exists to inspire and equip authentic leaders for Christ.

Covenant regards the training of children primarily as the function of the home. Furthermore, the Christian school and the Bible-believing church should work together with the home to provide a fully integrated program for the purpose of developing authentic Christian leaders.

The enclosed materials should provide a clear overview of Covenant as well as detailed enrollment procedures. Return of the completed application of admission, along with the application fee of $250, are necessary to hold your child's place in our waiting pool for the grade being applied. Admission is granted on a case-by-case basis after parent and student interviews are conducted and receipt of all necessary application components. Prior to parent and student interviews, $200 of the application fee is refundable if you choose to enroll your child elsewhere.

One of the things I love most about Covenant is Jesus is *EVERYWHERE!* He is in our math lessons, field trips, homework and especially in our relationships. It would be an honor to enter into a partnership as we respond to God's challenge found in Deuteronomy 6:6-7: "*And these words which I command you today shall be in your heart; you shall teach them diligently to your children and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.*"

Please do not hesitate to contact me with any further questions.
