Covenant Academy

Exists to inspire and equip
authentic leaders for Christ

Dear Parent,

Thank you for your interest in Covenant Academy's "Little Knights" Pre-school! We value the opportunity to share our mission with you as you seek God's direction in the education and care of your child.

Covenant Academy exists to inspire and equip authentic leaders for Christ.

Covenant regards the training of children primarily as the function of the home. Furthermore, the Christian school and the Bible-believing church should work together with the home to provide a fully integrated program for the purpose of developing authentic Christian leaders.

The enclosed materials should provide a clear overview of Covenant as well as detailed enrollment procedures. Return of the completed application of admission, along with the application fee of $50, are necessary to hold your child's place in our Pre-School Program. Your non-refundable application fee will be applied to your enrollment in FACTS upon acceptance to our program. FACTS is an online payment management system that automatically withdraws the tuition amount from a designated bank account. We will contact you with more details upon acceptance.

Our Little Knights Program will be full of engaging activities that address all learning styles. Our hours will be Wednesday and Friday from 8:15-3:00 p.m. Tuition is $200/month with a supply fee of $50 due on July 15, 2011 or upon acceptance if after this date. Please plan to join us for our Open House on Monday, June 27th!

One of the things I love most about Covenant is Jesus is *EVERYWHERE!* He is in our math lessons, field trips, homework and especially in our relationships. It would be an honor to enter into a partnership as we respond to God's challenge found in Deuteronomy 6:6-7: "*And these words which I command you today shall be in your heart; you shall teach them diligently to your children and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.*"

Please do not hesitate to contact me with any further questions.
